Doors, Modular Kitchen, Wooden Floorings

A leader in manufacturing premium wood-based solutions, Shreeji is a name to reckon with in the woodcraft industry. We develop exclusively finished contemporary wooden doors, frames, awe-inspiring modular kitchen designs, and international wooden flooring for sports and leisure.

King-Size Infrastructure

Our infrastructure facility based in the heart of nature at Silvassa is spread over a colossal area of 3,50,000 sq. feet. With state-of-the-art machinery that offers world-class automation and mechanism to encompass the line of production, we are now spreading our wings globally.

Turnkey Solutions

Our end-to-end solutions eliminate the need to visit multiple vendors. At Shreeji, the entire process of door manufacturing & installation is covered—from taking the measurements, creating the design, manufacturing, & shipping installation.

Not At Mother Nature's Cost

Our wood-based masterpieces are produced with minimal impact on the environment.

WE CREATE EMPOWERING STATEMENT PIECES

Creating statement pieces is at the core of Shreeji and over the years many of our works have emerged as luring icons. We love taking risks and turning heads. Three of our iconic brands include Elizii, Zyrex, & SMART.

Elevating elegance to a masterpiece, Elizii is a range of premium doors and frames redefining luxury. This classic range belongs to the modern world of laminate finishes and meets international standards. A symbol of beauty and grace, they are a hallmark of excellence. All the more, our frames are visually as stunning as the doors and designed to look alike.

Artistically wow and engineered to last indefinitely, Zyrex is our premium range of wooden floors, conforming to international standards. We make the finest wooden squash, badminton, tennis, basketball, and multi-purpose courts you'll find.

EXCELLENCE AT THE HEART
OF EVERY KITCHEN

SMART is the exclusive representation of Shreeji showcasing the finest contemporary kitchens. Offering tailored designs combining elegance and function, we effortlessly cater to projects of all styles. These kitchens are constructed keeping functional ease at the forefront to make your life as organized as possible. Our kitchens are designed in a way that our customers look forward to coming home.

Customizing Different Kitchens For Different Requirements

At SMART, we offer limitless designs to fulfill all sets of requirements and preferences. Our state-of-the-art kitchens provide comfort, ease, and elegant living. Moreover, we adapt to your style and customize kitchen solutions that are nothing less than aesthetically wow—an engineering excellence that serves all purposes.

Full Modular Kitchen

A fusion of pragmatic design and functional ease is imparted to pre-prepared marble tops. This modern and efficient technique uses premium-quality raw material to design kitchens that look like a piece of beautiful art and are unparalleled in functionality

Semi Modular Kitchen

Shreeji's Semi Modular Kitchen designs add a touch of elegance to pre-prepared marble tops and vertical marbles with the help of wooden framing to shape kitchen shutters and drawers. We are celebrated for placing emphasis on clean and contemporary aesthetics, innovative thinking, and premium quality in every segment.
